## LETTER OF RECOMMENDATION

Project: Gentoo Penguin Exhibit – Istanbul Akvaryum, Istanbul, Turkey.

To whom it may concern;

We, Istanbul Akvaryum, write this letter in recommendation for MAT LSS in taking part as a Life Support Specialist in our Penguin Exhibition project which was delivered in November 2016. The scope of works included engineering, supply, installation, testing and commissioning for the LSS systems related to the *Long-Tailed Gentoo* Penguin Exhibit.

Up to the date of this letter, nearly two years after the completion of the project, MAT LSS have met all the agreed milestones & responsibilities with the highest quality standards. We are 100% satisfied with the design, services, after sales support and ease of operation provided by MAT and without hesitation we recommend MAT LSS as filtration specialist.

Regards,

Director/Responsible

Istanbul Akvaryum
