LETTER OF RECOMMENDATION

Project: Equipment Supply – Wonjin Fisheries Co. Ltd. Chungnam, South Korea.

Date: July 16, 2020

To whom it may concern;

We, Wonjin Fisheries Co. Ltd., do write this recommendation letter for MAT Filtration Technologies in taking part as a Filtration Systems Specialist who has been manufacturing and supplying with several filtration equipment units for the past two years to our various projects at Wonjin Fisheries Company with success.

We are extremely happy with the quality of the delivered equipment that continually tests the highest quality standards. Up to the date of this letter, nearly two years after the first unit was acquired, MAT Filtration Technologies met all the agreed milestones & responsibilities. We are 100% satisfied with the equipment, services, after sales support and ease of operation provided by MAT and without hesitation, we recommend MAT Filtration Technologies for your project.

Kind Regards,

Peter

Director/Responsible

Wonjin Fisheries Co. Ltd.
